Split 1

Train set

Learning Algorithm

f1

Predict labels
on test set

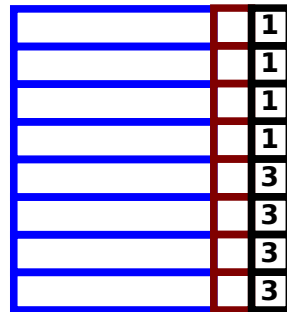

Compute
accuracy

with respect
to held out
test labels

A1

Split 2

Train set

Learning Algorithm

f2

Predict labels
on test set

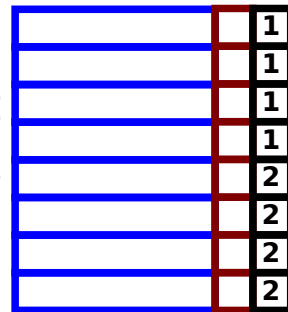

Compute
accuracy

- with respect to held out test labels

A2

Split 3

Train set

Learning Algorithm

f3

Predict labels
on test set

Compute
accuracy

with respect
to held out
test labels

A3
